### Testimonials

"I always enjoy going to Welcome Merchant events. Food is always good, interesting, and hearty. Fun vibes all around with the great mix of people you get to meet and share food with. And for some reason, in their pop up events, I always gain a new friend or acquaintance, no fail!!"-

"Marjorie, Founder and Director of Welcome Merchant is an outstanding individual. She went to a great lengths in order to help people like me to continue growing my business here in Australia. I am a photographer from Malaysia and Marjorie showed her support by not only using my services for her company events, but also helped me with studio light purchases. I hope there would be more dedicated people people such as Marjorie, who is making a difference in people's lives.
